Cut 6 squares 7" x 7"

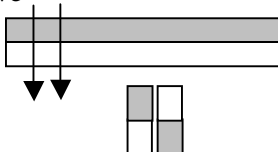

Cut diagonally twice to make quarter-square triangles

Backing: 1 ¾ Yard

Binding: Cut 5 - 2 ¼" or 2 ½" strips WOF

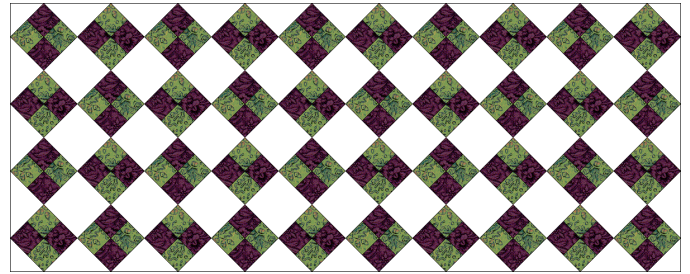

Assembly -

1. Sew cream print and black polka dot 2 ½" strips together lengthwise, pressing seams toward the cream print fabric.
2. Make 40 - 4-patches by laying the sewn strips with right sides together and cross-cutting into 2 ½" length as shown here:

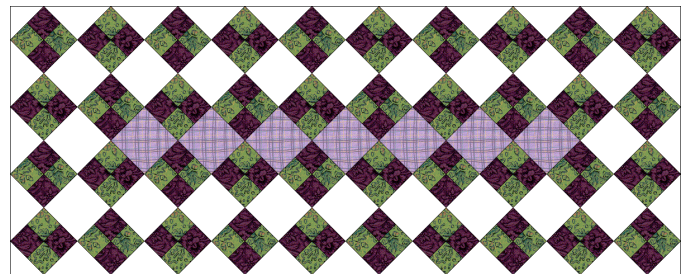

3. Press the seams to one side. If necessary, true up to 4 ½" squares.

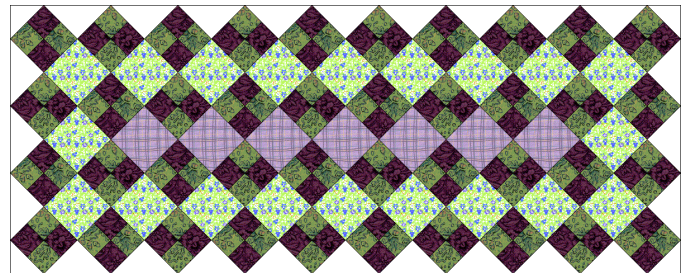

4. Laying everything out: The table runner is made with a variation of the Trip-Around-the-World setting.
5. Arrange the 4-patches on point in 4 rows of 10 4-patches each. Lay them out so that cream print squares are next to black polka dot squares and vice versa as shown in the diagram.

6. Next, fill in with the 7 green print squares centered down the middle of the table runner.

7. Then, fill in the next "round" of spaces with the 20 red print squares.

8. Lastly, place the half-square triangles on the corners, and the quarter-square triangles along the sides of the table runner.
9. Starting in one corner, sew the corner triangle to the adjacent 4-patch. Press seam toward the corner triangle.
10. Next, sew the setting triangles to either side of the 4-patch to complete the first diagonal row. Press seams toward the setting triangles.
11. Continue across the quilt, sewing the diagonal rows together in the order that they are laid out. Be sure the 4-patches are sewn into the rows in exactly the same orientation as they are laid out.
12. Press seams toward the 4 ½" squares and setting triangles.
13. Stitch the finished rows together as you go along to keep the 4-patches in the correct place. Press seams to one side.
14. Layer with batting and backing fabric and quilt by hand or machine.
15. Bind using your favorite method.
