Cutting Directions:

1. Fabrics A, B, C, and D: Cut one strip measuring 8 1/2" x the width of the fabric from each fabric.
2. Fabric E (Dark Solid): Cut 3 strips measuring 3 1/2" x the width of the fabric. Cut 5 strips measuring 2 1/2" x the width of the fabric for the binding.
3. Fabric F (White Solid): Cut one piece measuring 11 1/2" x 41 1/2".
4. Tulle: Cut 4 strips measuring 2 1/2" x the width of the tulle.

Dimensional Tutu Section:

1. Using the disappearing marking pen, make vertical marks at 4 1/4", 15 1/4", 26 1/4", and 37 1/4". These lines will help you to center each of the tutus.
2. Using one of the cut tulle strips, sew the short ends together, creating a large circle. Fold in half lengthwise, with the seams on the inside. Sew a long basting stitch 1/4" from the fold, pull the gathers tightly and evenly, and secure with a knot. Sew the completed tutu onto the center of the first drawn line, as shown:

3. Repeat with the remaining 3 strips of tulle, and sew one tutu onto the center of each drawn line.
4. Using the applique template, prepare 1 circle from each fabric (use the leftover fabric section for this). Applique the corresponding circle in the middle of each tutu, as shown:

Piecing Directions:

Seam allowances are ¼" unless specified otherwise.

1. Sew the strips together, right sides together, and pressing the seams toward the dark solid fabric, in the following order:
 - A. Fabric A
 - B. Fabric E
 - C. Fabric B
 - D. Fabric E
 - E. Fabric C
 - F. Fabric E
 - G. Fabric D
2. Cut across the strips just sewn so that there are two different pieces, one measuring 28 1/2" long and the other measuring 9 1/2" long. Save the leftover piece for the appliquéd circles.
3. With right sides together, sew the 28 1/2" section onto the top of the completed tutu section. Press the seams open.
4. With right sides together, sew the completed piece onto the 9 1/2" section. Press the seams open.
5. Secure the Jumbo Rick Rack over both seams of the tutu section, using a zig-zag stitch, as seen in the photos.

****An Elmer's Washable glue stick works perfectly to hold the rick rack in place while sewing it on. It can be repositioned, and then heat set in place with a hot iron before being sewn on. Any extra glue will easily wash out with water.****

Finishing Directions:

1. Layer the quilt top, batting, and backing fabric together.
2. Quilt by hand or machine, as desired.
3. Sew the 2 ½" binding strips cut from fabric E together into one long strip. Press the seams open. Press the wrong sides together to create a long strip that is 1 ¼" wide.
4. Bind the quilt using your favorite method.
