Corner Unit Tutorial

Step 1

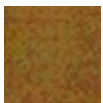

Fabric #11
Cut both 4 7/8" squares
in half on the diagonal
to make 4 triangles

Step 2

Fabric #6
Cut all of the 2 7/8" squares
in half on the diagonal
to make 8 triangles

Step 3

Fabric #12

- Lay out your pieces
before sewing. I find this
helps me keep them
facing the correct direction.

- Flip the top triangle over onto
the square, right sides together
- Line up the right side of the
triangle even with the square
as shown.
- Sew the triangle along the
Top edge

- Press towards the square.
When you do this you make
It much easier to sew the
Next triangle on.

Step 4

- Flip the other triangle over onto the square unit.
- Line up the bottom edge of the triangle even with the square as shown
- Sew the seam on the left edge- see the diagram
- Press open towards the triangle this time

Step 5

- With the large triangle right side up, place the unit from step 4, right side down.
- Sew the seam and intersect where I have the arrow. That way you do not chop off the points
- Sew together.

Step 6

- Line up the Diagonal on your Square ruler along the seam
- Trim to 4 1/2" x 4 1/2" if needed
- Make 4 corner units
